## Personal Profile

I have a deep passion for Computer Games art, I'm very keen to make it part of my lifestyle with my ambition to be a part of a concept or modeling team for games within industry.

I thoroughly enjoy my University degree studies, putting all my effort and time in order to produce great professional work for my portfolio.

I value any comments or criticism for my work as it allows me to gain new knowledge and skills based off other people's opinions.

## Key Skills

Most comfortable with the following software

- Photoshop (3 years experience with painting)
- 3DS max (1 year modeling experience)

Also experience with the following:

- Pro Desktop
  - VBA programming language
  - CTP Animation package
  - Office Packages
- 

## Objective

My Goal is to be part of a great team of artists and designers to help create great visual worlds and designs for games, in both 2D and 3D work.

## Education

### **2007-Date BA Computer Games Art**

Currently studying these modules at Second Year of my degree course:
